

**a DSM Brand**

DSM Desotech Inc. (DSM Desotech) warrants: i) the title to the products and ii) the products shall conform to the DSM Desotech written product specification, as then applicable and published. DSM Desotech's only obligation to the Buyer, and therefore the Buyer's exclusive remedy from DSM Desotech, in connection with the products, shall be limited to, at DSM Desotech's election: i) replacement of products by DSM Desotech to the Buyer not conforming to the DSM Desotech written product specification; or ii) a credit from DSM Desotech to Buyer's account of invoiced products that do not conform to the DSM Desotech written product specification.

IN NO EVENT SHALL DSM DESOTECH BE LIABLE TO BUYER FOR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES ARISING OUT OF THE USE OF THE PRODUCTS. THE ONLY REMEDY TO THE USER OR BUYER AND THE ONLY LIABILITY OF DSM DESOTECH FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE) SHALL BE THE REPLACEMENT OF PRODUCTS OR THE RETURN OF PURCHASE PRICE. NO REPRESENTATIVE OF DSM DESOTECH HAS AUTHORITY TO GIVE ANY OTHER WARRANTY OR ASSUME ANY OTHER LIABILITY.

Any claim under this Warranty must be made by the Buyer to DSM Desotech, in writing, within ten (10) days of discovery of the claimed defect, but in no event later than i) the applicable shelf life of the product or ii) one year from the delivery date, whichever is earlier. Buyer's failure to notify DSM Desotech in writing regarding the non conformance of the written product specification shall bar the Buyer from recovery under this Warranty.

Any suggestions or recommendations relating to the use of the DSM Desotech products made by representatives of DSM Desotech, regardless of whether such statements are made in technical literature, or as responses to field and/or customer inquires, or otherwise is always based in good faith, by DSM Desotech representatives using information believed to be accurate and reliable. Nonetheless, the products are intended for use by Buyers having the necessary knowledge and skill in their industry. In all instances, the Buyer needs to conduct its own reasonable professional investigations regarding the use of the products, and the acceptability of the products for the intended use. The Buyer has sole responsibility for this determination and risk. Changes in temperature, variations in the environment, both storage and application, alterations in procedures and/or equipment, as well as data extrapolations may result in different results and need to be evaluated by the Buyer for suitability in the Buyer's application for the Buyer's intended use.

UVolve™ products are recommended for use with appropriate floor coating curing equipment, operated by trained personnel and authorized contractors. Improper application equipment and untrained personnel can impose risks that are the sole responsibility of the Buyer and/or User. The suitability and ultimate application of the product is the responsibility of the Buyer and/or User. Product performance can be dependent on the quality of the application surface as well as the quality of the preparation of the surface among other factors. Consult the UVolve™ product specifications for surface application thickness recommendations. These UVolve™ product use guides do not expand the product warranty.
